

ISU ALGEBRA SEMINAR

FALL 2017 SCHEDULE

Thursdays, 12:00 PM-12:50 PM in Williams Hall, room 21

November 16, 2017

Speaker: George Seelinger

Talk title: From Algebraic Geometry to Quantum Groups and Beyond

Abstract: In this survey talk, I will discuss the development of ideas from Algebraic Geometry to Algebraic Groups to Quantum Groups with a hint towards noncommutative geometry. This is meant only to give a quick overview of these areas.
