

Registration for online seminars for professional actuarial examinations offered by Illinois State University is available at this site:

<https://ilstu.ungerboeck.com/prod/emc00/register.aspx?OrgCode=10&EvtID=5255&AppCode=REG&CC=120062903651>

Please note that registration is good for one year or until you pass the exam, whichever comes first, regardless of the dates given at that site (these are dates when this registration site is active, and they follow the university's fiscal year, and do not affect the dates of the seminars – seminars are offered continuously, regardless of the fiscal year).

Questions about registration or the seminars can be sent to: actuary@IllinoisState.edu.

You can also register by calling Ms. Meg Rhoades at: +1-309-438-2160
or toll-free in the United States: 800-877-1478

Registration is supervised by Illinois State University Conference Services:
